

KARDOL

QUALITY PRODUCTS • SINCE 1939

Kardol was founded in 1939 to manufacture car appearance products in the Midwest. By 1980, Kardol had over 100 products and dominated its market in the region. A lot has happened in 78 years, and as our industry has changed, Kardol has evolved. Our principal goal is to increase the productivity and profitability of our distribution partners and end users via quality products and unparalleled customer service. We continue to take pride in providing products made in the USA. For those of you who have been part of our story over the last 78 years, we sincerely thank you. For those who may not know us yet, we ask for the opportunity to earn your business, trust and friendship. We look forward to the next 78 years in our exciting industry and sharing them with you.

Best regards,
Eric Kahn
CEO
Kardol Quality Products

ACRYLIC LACQUER THINNER

An aggressive formulation of 100% virgin solvents to provide maximum cleaning power for paint guns and part cleaning. Natural rubber gloves should be worn to protect hands.

Part No.	Size	Units/Case
150900	Gallon	4
150902	5 Gallon	1
150906	55 Gallon	1

COLOR GRADE LACQUER THINNERS

Formulated with 100% virgin solvents. Equivalent to major paint manufacturer's quality. This formulation is excellent for thinning lacquer and acrylic lacquer primer and color coats. Can also be used as a cleaning solvent for spray equipment.

FAST (Low-Temp)

Part No.	Size	Units/Case
105151	Gallon	4
105152	5 Gallon	1
105154	16 Gallon	1
150153	55 Gallon	1

MEDIUM (Mid-Temp)

Part No.	Size	Units/Case
150110	Gallon	4
150112	5 Gallon	1
150116	55 Gallon	1

SLOW (High-Temp)

Part No.	Size	Units/Case
150120	Gallon	4
150122	5 Gallon	1
150126	55 Gallon	1

FAST DRY LACQUER THINNER

100% Virgin

Part No.	Size	Units/Case
150907	Gallon	4
150908	5 Gallon	1
150910	55 Gallon	1

COMPLIANT LACQUER THINNER

A color grade lacquer thinner formulated to satisfy existing state and federal regulations for V.O.C. and vapor pressure. V.O.C. = Exempt

Part No.	Size	Units/Case
150190	Gallon	4
150192	5 Gallon	1
150196	55 Gallon	1

POWER SOLVENT

Part No.	Size	Units/Case
150931	Gallon	4
150932	5 Gallon	1

ACETONE

Powerful, fast evaporating, and water soluble, makes this a valuable solvent for industrial and home use. Use as a solvent for epoxy, vinyl, lacquers, contact cements, plastic, adhesives and for clean up after polyester resin use. Use as a metal cleaner before painting to ensure adhesion.

Part No.	Size	Units/Case
105071	Quart	6
105072	Gallon	4
105073	5 Gallon	1
105074	55 Gallon	1

MEK (METHYL ETHYL KETONE)

A low boiling, medium drying solvent used primarily to thin nitrocellulose lacquers, ethyl cellulose, acrylic and vinyl-acetate vinyl-chloride copolymers. Use only where recommended by paint product, adhesive or hobby manufacturer

Part No.	Size	Units/Case
105036	Quart	6
105037	Gallon	4
105038	5 Gallon	1
105039	55 Gallon	1

MINERAL SPIRITS

Thinner for oil based paints, enamels, varnishes and stains. Ideal for cleaning brushes or rollers after painting and an excellent solvent for oil, grease, tar and wax. Test on sample before using on plastics, synthetic fabrics and tile.

Part No.	Size	Units/Case
105002	Quart	6
105003	Gallon	4
105004	5 Gallon	1
105005	55 Gallon	1

TOLUENE

Fast evaporating, clear, colorless hydrocarbon solvent for thinning dyes, resins, oils and certain primers and topcoats. Soluble in alcohol and insoluble in water. Ideal for removing wax, grease, polish and dirt from surfaces before painting.

Part No.	Size	Units/Case
105032	Quart	6
105033	Gallon	4
105034	5 Gallon	1
105035	55 Gallon	1

DENATURED ALCOHOL

Recommended for thinning and removing shellac, cleaning brushes and equipment. Can be mixed with soap and water. Harmless to rubber. Will clean porcelain, glassware, windows, mirrors, metal and unlacquered jewelry. Also an effective spot remover for moist inks.

Part No.	Size	Units/Case
505021	Quart	6
505022	Gallon	4
505024	5 Gallon	1
505025	55 Gallon	1

ISOPROPANOL 99

An effective cleaner for RTV, silicones, rubber molds and associated equipment.

Part No.	Size	Units/Case
502062	5 Gallon	1
502071	55 Gallon	1

VM & P NAPHTHA

Fast evaporating, clear, colorless aliphatic hydrocarbon solvent. Use primarily to thin exterior and interior oil paints, varnishes, and enamels for spray application where mineral spirits drying time is too slow.

Part No.	Size	Units/Case
505061	Quart	6
105062	Gallon	4
105063	5 Gallon	1
105064	55 Gallon	1

XYLENE

Clear, colorless, aromatic hydrocarbon solvent for thinning varnishes, many synthetic enamels, rubber cement, epoxy paint and rubber base paint. Soluble in alcohol and insoluble in water.

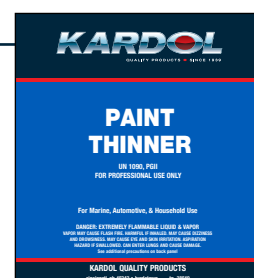

Part No.	Size	Units/Case
105027	Quart	6
105028	Gallon	4
105029	5 Gallon	1
105030	55 Gallon	1

PAINT THINNER

100% Virgin Solvent

Part No.	Size	Units/Case
505007	Quart	6
505009	Gallon	4
505010	5 Gallon	1

MASKING PAPER

'TRUE' MACHINE GLAZED PAPERS

Superior Machine Glazed Masking Paper provides 20% additional bleed through protection and wet strength over machine finished papers and no fiber fluff. Developed and distributed by Kardol.

HAND MASK

Premium Green Automotive Hand Mask

Description	Footage	Package Sizes	Units/Case
Hand Mask	180' Wrap	6-9-12-15-18"	12

"Select Pak™" packaging is an ecologically friendly package that utilizes biodegradable, clear 3 mil memory retention plastics to produce a tightly bound, non-slip, square package. Provides easier handling and warehousing. See through package permits rapid identification of color and size. Reduces shop trash waste removal. Available exclusively through Kardol. Private labeling available at no extra charge.

REDUCERS

Formulated with 100% virgin solvents, these high quality reducers are excellent for thinning urethane primers, basecoats and clearcoats. Acrylic Reducers are excellent for thinning acrylic and acrylic enamel paints. Synthetic Reducers are excellent for thinning synthetic enamel paints. Equivalent to paint manufacturers' and works well in all major paint manufacturers' systems.

URETHANE REDUCER

150162	5 Gallon	1
150166	55 Gallon	1

MEDIUM (Mid-Temp)

Part No.	Size	Units/Case
150150	Gallon	4
150152	5 Gallon	1
150156	55 Gallon	1

SYNTHETIC ENAMEL REDUCER

FAST (Low to Mid-Temp)

Part No.	Size	Units/Case
150170	Gallon	4
150172	5 Gallon	1

MEDIUM (Mid to High-Temp)

Part No.	Size	Units/Case
150180	Gallon	4
150182	5 Gallon	1

KAR PREP

A tough, versatile, professional grade cleaner. Quickly and easily removes wax, grease, and dirt build-up. Fast evaporation speeds job prep.

Part No.	Size	Units/Case
150330	Gallon	4
150332	5 Gallon	1
150336	55 Gallon	1

GUN CLEANER

A harsh solvent formulated to clean paint guns and parts. Excellent for automatic gun washers.

Part No.	Size	Units/Case
150490	Gallon	4
150492	5 Gallon	1

LIQUIFIX

The most effective and safe multi-purpose lubricant on the market

- Body shop safe
- Emits no vocs, non-toxic
- Silicone free
- Non-staining
- Odorless
- Provides superior wear resistance
- Lubricates 2-3 times longer than other brands
- Works on all materials including aluminum, plastic & rubber

Part No.	Size	Units/Case
100114	2 oz.	48
100112	4 oz.	24
100113	16 oz.	12
150491	Gallon	1

ACRA LAC

Special solvent blend formulated for removal of road tar, oil, waxes, rubber cements, grease, adhesives, sealers, silicone and undercoating overspray.

Part No.	Size	Units/Case
100204	Quart	6
100201	Gallon	4
100205	5 Gallon	1

ALUMA BRITE

A very powerful acid based product designed for cleaning and restoring aluminum surfaces. Removes brake dust and road grime. Cannot be used on clear-coated aluminum. Will attack glass.

Part No.	Size	Units/Case
100214	Quart	6
100211	Gallon	4
100215	5 Gallon	1

GLASS CLEANER

Formulated specially for the automotive industry. Penetrates the pores of glass with tremendous lifting action. Removes waxes, silicone, dirt and light paint overspray.

Part No.	Size	Units/Case
100350	9 oz. aerosol	12
100351	Gallon	4
100355	5 Gallon	1

GREEN PANTHER

Accomplishes your total cleaning requirements. Superior foaming action. Can be diluted 10:1. Great as a degreaser and concrete cleaner. Finally one product to satisfy all your cleaning tasks.

Part No.	Size	Units/Case
100304	Quart	6
100301	Gallon	4
100305	5 Gallon	1
100306	55 Gallon	1

RENEW

Rubber and vinyl dressing excellent for restoring and protecting. Prevents tires, door seals and fan belts from weather cracking. Can be used as a sealer on engines. Will not crack or yellow.

Part No.	Size	Units/Case
100494	Quart	6
100491	Gallon	4
100495	5 Gallon	1

RENEW #2

Water based rubber and vinyl dressing. Silicone free.

Part No.	Description	Size	Units/Case
100484	ReNew 2	Quart	6
100481	ReNew 2	Gallon	4
100485	ReNew 2	5 Gallon	1

WASH & SHINE

A highly concentrated car soap designed to produce heavy suds and cutting action. Leaves a shiny surface with very few water spots. Contains no silicone or wax. Low Ph. Safe for all painted surfaces.

Part No.	Description	Size	Units/Case
100334	Wash & Shine	Quart	6
100331	Wash & Shine	Gallon	4
100335	Wash & Shine	5 Gallon	1
100336	Wash & Shine	55 Gallon	1

WHITE SIDEWALL CLEANER

Formulated to clean without affecting tires. Should be sprayed on or applied with a brush. Cut 50% with water. Not recommended for aluminum. Contains caustic soda.

Part No.	Description	Size	Units/Case
100124	Sidewall Cleaner	Quart	6
100121	Sidewall Cleaner	Gallon	4
100125	Sidewall Cleaner	5 Gallon	1

SPRAY HEADS & BOTTLES

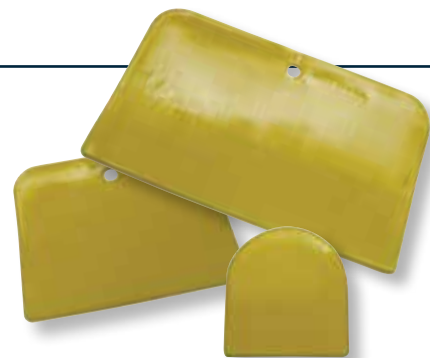

Designed for professional use. Each spray head has heavy seals with spray pattern control. With proper care and cleaning, spray heads will provide desired performance with long life cycle.

Part No.	Description	Size	Units/Case
100690	Empty Bottle	Quart	12
100694	Mustard Bottle	8 oz.	12
100695	Economy Spray Head (Red)		12
100695	Heavy Duty Head (White)		12
100695	Extra Heavy Duty Head (Blue)		12
100695	Solvent Spray Head (Gray)		12

SPREADERS

Part No.	Description	Size	Units/Case
101016	Blue Spreader	2"	100
101017	Yellow Spreader	4"	100
101018	Yellow Spreader	5"	100
101019	Yellow Spreader	6"	100
101014	Black Squeegee	3"	50
101013	Black Squeegee	5"	50
101020	Mixing Boards		12
101021	Putty Paddles		12

PAINT PADDLES

Part No.	Description	Size	Units/Case
150000	USA Paddles	12" x 1"	500

PAINT STRAINERS

Top of the line, open tip, nylon strainers for filtering conventional coatings. Also available exclusively through Kardol, a patented, non-contaminating strainer.

Part No.	Description	Size	Units/Case
150001	Open Tip Nylon	Fine Mesh	1000

"MT CUP" MIXING SYSTEM

Cups, sealing lids, strainer lids and paint sticks are made from polypropylene and impervious to solvents. Can be washed in gun washer. Measurement marking are embossed by the die ensuring accurate measurements.

Part No.	Description
150010	Quart Kit (50 cups, 4 strainer lids, 10 sealing lids, 10 stirring sticks)

RAZOR BLADES

Single edge blades, .009, manufactured from surgical carbon steel for clean sharp cutting. Made in USA

Part No.	Size	Units/Case
100104	Case	50
100107	Box	1

TACK CLOTHS

Surgical blue cloths contain no oils, solvents, silicones or other materials that may affect surface adhesion. Compatible with all primers, primer surfacers, and high solid coatings.

Part No.	Size	Units/Case
100096	Case	12

PANTHER WIPES

A 1,050 foot role of 2 ply perforated paper towel. Four times more absorbent than cotton rags. Low lint. Packaged in a convenient dispenser box. Roll also fits most existing dispensers in the field.

Part No.	Size	Units/Case
100099	Box	1

EMPTY CANS

ROUND STEEL CANS & LIDS - Manufactured by B-Way. Cans and lids must be top-loaded on other products to receive this pricing. Add 12% plus freight if ordering empty cans and lids only. Free freight only on top-loaded cans.

Round Steel Cans & Lids

Part No.	Description	Units
171035	Gallon Round Can with Lid	34
171045	Quart Round Can with Lid	56
171065	Pint Round Can with Lid	50
171064	Liter Can with Lid	112

F-Style Cans — 1-1/4" Opening

Part No.	Description	Units
171027	Pint F-Style	225
171015	Quart F-Style	120
171016	Gallon F-Style	40
179019	1-1/4" Cap	1

DISPOSABLE COVERALLS & BUNNY SUITS

Spunbonded, breathable (SSPP) polypropylene, 1.5 oz. material with full front zipper, elastic wrist and straight legs. "Bunny Suits" include hood and booted feet.

Coverall

Part No.	Size	Units
400408	Large	25
400409	X-Large	25
400410	XX-Large	25

Bunny Suit

Part No.	Size	Units
400429	Large	25
400430	X-Large	25
400431	XX-Large	25

PLASTIC SHEETING

The absolute premium quality sheeting available. High density, high cling paintable sheeting comes in a dispenser box. 200°F rated.

Part No.	Description	Size	Units/Pallet
150015	High Density 6 micron	12' x 400'	64
150004	High Density 8.5 micron	14' x 350'	42
150012	High Density 8.5 micron	16' x 350'	49
150022	High Density 8.5 micron	20' x 350'	49

SOFT EDGE MASKING FOAM TAPE

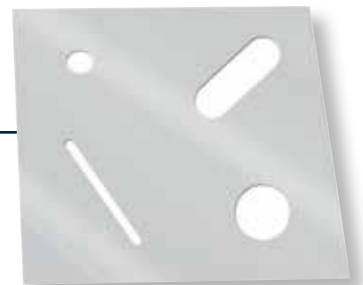

Protection of contours, doors and hinges. Easy to apply, very flexible and leaves no residue.

Part No.	Description	Size	Units/Case
501910	Masking Foam	13mm x 50m	1

SHIM-MASK®

For use on paint and lacquer runs, to minimize area when sanding paint filled chips or scratches.

Part No.	Description	Case Quantity
100109	Shim-Mask	1
100110	Shim-Mask	3

STANDARD SPRAY SOCKS

Very lightweight, disposable head covering. Looser fitting, more comfortable and cooler than a standard spray sock. Painters who wear glasses will love this product!

Part No.	Description	Units
401410	Standard Spray Sock	72

MARINEYARD RESIN

Universal repair material used with fiberglass fabrics. Produces a hard, durable and permanent plastic finish. Purchase hardener separately.

Part No.	Size	Units/Case
500544	Pint	12
500545	Quart	12
500546	Gallon	4
505077	5 Gallon	1
502508	55 Gallon	1

WHITE GELCOAT

White exterior gelcoat is pigmented with titanium dioxide. Will withstand good impact and light stabilized. Designed for mold operation. Wax solution must be added when using for repairs to provide sandability. Hardener (MEKP) is included except with 55 gallon units.

Part No.	Description	Size	Units/Case
501175	Pint		12
501176	Quart		12
501177	Gallon		4
501178	5 Gallon		1
501067	55 Gallon	drum, 550 lbs	

WAX SOLUTION

Polyester additive for laminating resin and gelcoat to produce a tack free surface.

Part No.	Description	Size	Units/Case
501270	Pint		6
501272	Gallon		4

POLYURETHANE FOAM

2 lb density, Coast Guard recognized. Pour in place foam. 1:1 mix. Provides excellent flotation and insulation qualities. Not affected by gasoline or oil. May be coated with polyester resins.

Part No.	Description	Size	Units/Case
502275	Polyurethane Foam	½ Gallon kit	3
502274	Polyurethane Foam	2 Gallon kit	2
502277	Foam Resin "A"	5 Gallon	1
502276	Foam Hardener "B"	5 Gallon	1
173258	Foam Resin "A"	55 Gallon	1 drum, 500 lbs
173264	Foam Hardener "B"	55 Gallon	1 drum, 500 lbs

COLORING AGENTS (PIGMENTS)

Use with either epoxy or polyester resins to tint or match colors. Available in 1 and 4 oz. sizes.

Part No.	Description	Size	Units/Case
505501	Battleship Gray	1 oz.	12
505503	Bright Red	1 oz.	12
505504	Wave Blue	1 oz.	12
505505	Sunny Yellow	1 oz.	12
505506	Basic Brown	1 oz.	12
505507	Nautical Blue	1 oz.	12
505508	Midnight Black	1 oz.	12
505509	Bright White	1 oz.	12
505510	Deep Green	1 oz.	12
505521	Battleship Gray	4 oz.	12
505523	Bright Red	4 oz.	12
505524	Wave Blue	4 oz.	12
505525	Sunny Yellow	4 oz.	12
505526	Basic Brown	4 oz.	12
505527	Nautical Blue	4 oz.	12
505528	Midnight Black	4 oz.	12
505529	Bright White	4 oz.	12
505530	Deep Green	4 oz.	12

EPOXY GLUE

Exceptional adhesive will bond to almost any surface such as cement, fiberglass, wood, aluminum, steel, and Styrofoam. 1:1 mix. 45 minute pot life. After 24 hours, glued area can be drilled and tapped. Properties of material cured in 7 days.: compressive strength – 15,300 psi, tensile strength – 5,100 psi, flexural strength – 7,680 psi.

Part No.	Description	Size	Units/Case
500110	Epoxy Glue	Quart Kit	12
500122	Epoxy Glue	Gallon Kit	2
500120	Epoxy Glue Resin	5 Gallon	1
500121	Epoxy Glue Hardener	5 Gallon	1

AEROSIL

Non-sag agent designed to prevent a liquid resin from running or sagging on a vertical surface. May be mixed into either polyester or epoxy resins.

Part No.	Size	Units/Case
502711	Quart	6
502708	1 lb Bag	1
502714	Gallon	4
502709	10 lb Bag	1

MICROBALLOONS

Maroon colored, hollow, phenolic sphere used as a light weight, easily sanded filter. A small addition into resin will make a paste or putty. May be easily mixed into either polyester or epoxy resins.

Part No.	Size	Units/Case
502710	Quart	6
502720	1 lb Bag	1
502726	30 lb Drum	1

PLASTIC ROLLERS (BUBBLE BUSTERS)

Part No.	Size	Units/Case
503068	1.5" x 3"	1
503072	75" x 3"	1
503074	1" x 3"	1

ALUMINUM ROLLERS (BUBBLE BUSTERS)

Part No.	Size	Units/Case
503112	.5" x 3"	1
503114	.75" x 3"	1
503118	.5" x 6"	1
503120	.75" x 6"	1

POLYSHIELD RESIN

Premium all-purpose resin designed for general lay-up manufacturing as well as repair work. Polyshield is also suitable for spray up operations and provides rapid wet-out, fast cure and excellent trim qualities.

Part No.	Description	Size	Units/Case
102373	Polyshield Resin	Quart	6
102374	Polyshield Resin	Gallon	4
102376	Polyshield Resin	5 Gallon	1

AUTOMOTIVE RESIN

A premium rapid wet-out, tack free polyester resin. Thicker formula eliminates running and sagging. Use with fiberglass cloth, mat or tape to repair or rebuild. Liquid hardener included.

Part No.	Size	Units/Case
102383	Quart	6
102384	Gallon	4
102386	5 Gallon	1

MEKP (METHYL ETHYL KETONE PEROXIDE)

A fast acting, clear universal hardener for polyester resins.

Part No.	Size	Units/Case
196191	.5 oz.	24
196516	40cc	24

502122	5 Gallon	1

FIBERGLASS TAPE & MAT

FIBERGLASS CLOTH

Provides high strength reinforcement when used with polyester and epoxy resins to repair fiberglass, wood or metal. Premium quality, woven for fast wetting with resins. Use on hulls, decks and cabintops to strengthen and waterproof.

Part No.	Description	Size	Units/Case
501868	Fiberglass Cloth	1yd. x 38"	6
501869	Fiberglass Cloth	3yd. x 38"	6

FIBERGLASS MAT

Reinforcement for polyester or epoxy resin. Mat is chopped strand, easy to handle on flat or curved surfaces. May be used with glass cloth or tape to build layers of laminate. Provides fast wet-out of resin.

Part No.	Description	Size	Units/Case
501870	Fiberglass Mat	1yd x 38" Mat 1.5 oz	6
501871	Fiberglass Mat	3yd x 38" Mat 1.5 oz	3
501810	Fiberglass Mat-Roll	50" 1.5 oz. Mat +/- 95 lb.	1 roll

FIBERGLASS TAPE

Use with polyester or epoxy resin to cover seams and make small repairs. Same weave as fiber glass cloth. Woven with finished edge to give a professional looking repair.

Part No.	Size	Units/Case
501782	2" x 50 yd	6
501783	3" x 50 yd	4
501784	4" x 50 yd	3
501786	6" x 50 yd	2
501792	12" x 50 yd	1

WOVEN ROVING & FABMAT

Provides repair with added reinforcement where extra strength is required. Unique blend of intertwined fiberglass strands to provide extra toughness. Provides fast wet-out of resin.

Part No.	Description	Size	Units/Case
501874	Woven Roving	1 yd x 50"	6
501843	Woven Roving	24 oz. x 50"	1 roll, +/- 190 lbs
501877	Stitchmat	2415 oz. x 50"	1 roll, +/- 200 lbs

PROMOTIONAL ITEMS AND APPAREL

Kardol can help you build long-lasting brand awareness, help you reward loyal customers, or personalize that unique promotional product that makes you memorable.

We can promote your brand with nearly any item you choose. Whether it's for a fundraiser, tradeshow or special event we get you noticed. Promotional products are affordable giveaways that are easy to distribute or add to part of a direct mail campaign to targeted prospects.

Our professional art department can assist with digitizing your logo for embroidery or designing a custom t-shirt to grab attention at that special event. Our award winning embroidery and silk screening solutions are here to build long-lasting brand awareness.

Paired with print, branded merchandise enhances brand loyalty, creates memorability and increases familiarity.
